SUBJECT: FOIA REQUEST - Submitted Electronically

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, as amended, Midwest Environmental Advocates requests all records related to the Petition by Midwest Environmental Defense Center, Environmental Integrity Project, Midwest Environmental Advocates, Clean Wisconsin, Clean Water Action Council of Northeastern Wisconsin, and Kewaunee CARES dated October 22, 2014, requesting that EPA exercise its emergency powers established in the Safe Drinking Water Act, 42 U.S.C. § 300i, as well as its powers under Section 104 of the Comprehensive Environmental Response, Compensation, and Liability Act and Section 7003 of the Resource Conservation and Recovery Act to investigate and address groundwater contamination that has presented, and continues to present, an imminent and substantial endangerment to the health of the residents of Kewaunee County, Wisconsin.

This request includes all internal or other documents, correspondence, emails and records of phone calls relating to the permit; whether produced by or submitted to the EPA.

This request does not include any records of communication between EPA and staff of Midwest Environmental Advocates.

For any documents that you block from release due to specific exemption(s) from the requirements of the Freedom of Information Act, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification for claiming a particular exemption that explains why each such exemption applies to the document or portion of a document withheld.

Should you have any questions about this FOIA request, please contact me at 608-251-5407 ext. 5.

Sincerely,

Sarah Williams
